Elegant Craftsman Facade Wraps Fresh Floor Plan.

The Palladian was designed to create a family-friendly home with flexibility and privacy for generations. The timeless exterior features the traditional columns and arches, softened with Shingle-style accents and details. The welcoming front porch opens to a symmetrical entry foyer, with an opposing den and formal dining room plus butlery and walk-in pantry. The beamed great room with built-in fireplace and entertainment center, gourmet kitchen with its huge island, and multi-windowed eating nook create a spacious family area, all opening onto the large, wraparound outdoor living porch. A vestibule off the nook leads to the grand vaulted master suite with reading bay, fireplace, five-fixture master bath, and a huge walk-in closet with convenient laundry room access. Two secondary bedrooms, bath, laundry and garage access are located to one side, with a deluxe guest suite privately placed on the other side of the home.
