Rustic Craftsman Estate Perfect for Active Living.

Accented by elegant timber details, rugged stone and cascading gabled rooflines, the Riversong's landmark façade presages an open, dramatic and light-filled interior. The welcoming entry porch leads into a vaulted foyer and vestibule, where an octagonal theme promotes a gentle circulation flow through the home. The wide expanse of the vaulted great room and immense gourmet kitchen combined with the oversized glazed nook and spacious vaulted outdoor BBQ porch create a seamless indoor-outdoor family living space. The secluded master suite is full of luxury, with its private porch, sitting room with fireplace, coffee station, enormous walk-in closet, and spacious, and vaulted master bath with clerestory dormer. The balance of the main floor offers a formal dining room, den or work-at-home office, powder room, guest bedroom with adjacent bath, large laundry, and a flex room that can serve as a theatre, crafts or game room. Tucked under the rooflines, an upstairs bonus room, bedroom and bath complete the residence.
